Bio:

3rd generation aerial photographer American born and passport holder CAAC registered pilot & pending FAA part 107 certification. Been working in Asia as a Cinematographer for 7 years with brands like: Tencent, Intel, Lenovo, Burton, Toyota, Volkswagen, and Audi. Specializing in advanced camera platforms and Aerial filming. Accustomed to harsh environments and working conditions with a natural sense of adventure of changing light. Not a stranger to the studio environment with an ability to work under deadlines and pressure. Also certified Red Cross First Aid instructor, CPR/AED, Survival skills, and crisis management. Currently a founding partner of BLNK Media.
